Areas of expertise:

Google Suite

Videoconferencing

Traditional Remedies

Financial Health

Emotional Wellbeing

Grantwriting, and more...

WORDS FROM SOME PARTICIPANTS

"You can't think about projections, and much less being at the head of your business. You feel responsible since you are providing jobs for other people"

"We are closed and generating great losses. The situation is difficult, and we are going to suffer the impacts all year."

"I feel very privileged to be part of this Prospera family. They give me reason to keep going."
